

Worth Matravers Village Hall Trustees
Chair's Report April 2022-2023

Events

Past Year: The Fete, the Jubilee Picnic, the Open Gardens, the Village Centenary Weekend, the Feast on the Green, Trev Haysom's Quarry Talk, Carols on the Green, the Bring and Share Supper, and the open meeting with the National Trust

Next Year: already planned are The Coronation Bring and Share Lunch (7 May), The Fete (29 May)

Clubs

Ladies' Lunch Club, Film Club, Sports Club, Sustainable Worth.

Investments

School House and Village Hall (damp, leaks, guttering, roof repairs, redecorating, replace windows). Party wall with Wild Hill rebuilt, new chairs, tidy VH kitchen and repair electrical equipment.

Finances

It has been a year of heavy investment and there is a programme continuing for the next 5 years to spread the cost. The School House rent plus lettings mean that this level of expenditure is possible but may need some help from fundraising eg some of the Fete proceeds.

Trustees

Actively seeking new trustees. Four possibles attended last meeting. At least two others to be approached.
